

Dress

for

Success

Ladies...

please recycle your work clothing to “Dress for Success”. Our Ladies’ Fellowship will take work appropriate clothing, shoes, and purses and recycle them through this organization. Women who are getting back into the workforce, or women who are going to work for the first time, need to have the proper attire for an interview and the first week of work. There are many women in need. Please look through your closet and see if you have anything that you no longer wear that would be appropriate for an interview and bring it in. We ask that the donations be clean and on a hanger. There is a coat rack in the Fellowship where you can hang your donations. When Ladies’ Fellowship delivers the clothing and accessories to “Dress for Success” the clothes must be ready to go out right away. “Dress for Success” has no means to launder or store items.

They will accept items for the season.

Currently they are accepting summer items.
