

BEAUTIFUL SAVIOR LUTHERAN CHURCH

NOVEMBER 2025

WORD AND WORSHIP

PHYSICAL AND SPIRITUAL BLESSINGS

*“Faith enabled Abraham to become a father, even though he was old and Sarah had never been able to have children. Abraham trusted that God would keep His promise.”
Hebrews 11:11*

The Bible clearly shows that promises of physical blessings also include spiritual blessings. We weren't created for an existence like that of cattle and donkeys. Instead, we were created for eternity. When God gives us a promise, He doesn't limit himself to our physical needs. He isn't concerned only about our stomachs. He also wants to keep our souls from being destroyed and wants to give us eternal life.

Consequently, promises concerning external and physical matters are like the shell of a nut. But the real essence, or inner kernel, is Christ and eternal life. God, who makes the promises, isn't speaking to donkeys and cattle, as Paul points out, “God's concern isn't for oxen”(1 Corinthians 9:9). Rather, He's concerned about intelligent human beings created in His image to live with Him for eternity.

Clearly, the promises of physical blessings are like the nuts and apples we use to get the attention of our children. God gets our attention with physical blessings so that we will learn to appreciate the eternal blessings. This is how God encourages us to expect eternal life. God's purpose in giving us food and water isn't merely that we would eat and drink without thinking, as horses and donkeys do. Rather, he gives us physical blessings so that we will realize that He is loving and kind. This will help us to believe He will take care of all our needs. Even if God only gave you a piece of straw, He would want you to acknowledge Him as the eternal God whose kindness is overflowing. If you still believe in Him, you will have eternal life. Even though Abraham didn't see all of these promises fulfilled in His own lifetime, He still believed God. That's why he was given eternal life.
